### **Welcome to the Sele-Dent / Unicare Discount Dental Plan!**

Welcome! In your best interest, your Union Officials have secured a dental discount plan for you and your spouse to use at any time. This is a self-pay benefit that provides savings of up to—and often exceeding—60% off Usual and Customary charges for dental procedures. There is no annual maximum and no frequency limitations.

To take advantage of this benefit, you must visit a Unicare participating provider. Payment for services is due at the time they are rendered. This discount dental benefit allows you to receive the highest quality dental care at the lowest available cost.

Please review the back of this letter for a list of sample provider locations in your area. Please find enclosed, the discount fee schedule. You may also visit [www.Sele-Dent.com](http://www.Sele-Dent.com) to locate additional participating providers.

If you have any questions regarding this benefit, please call **1-800-520-DENTAL (3368)**. When scheduling an appointment, please state that you are with the Unicare Discount Program and present the enclosed card at the time of your visit.
